Lessons learned from the life of David (a man of passion and destiny)

1 Sam 16:6-13

v. 12 The Lord said, "This is the one; anoint him."

v. 7 ...but the Lord looks at the heart

**1. God is looking for people who are authentic in their spiritual walk, not just faking it.**

1 Sam 13:14

Acts 13:22

**What was important to God was important to David.**

11 Chronicles 16:9

What gets you on God's radar?

**2. Humility (The heart of a servant)**

Psalms 78:70-72; 80:20

Matthew 20:28

*Just as Son of Man did not come to be served but to serve*

**3. Integrity (Hebrew-thaman-complete, innocent, having simplicity to life, sound, unimpaired)**

**Integrity** is what you are when no one is looking. (It goes bone deep)

These are three qualities that position us for success. Allow these lessons from David's life to cause us to examine our own lives.

Are you positioned for success?
